Document ID: HLE-FIN-103 | Owner: Finance, Office of the Controller | Effective date: 2025-03-01 | Version 2.1

1. Purpose

These guidelines explain who may hold a Harbourline Energy Co. corporate card, how the card may be used, and how card transactions are reconciled. Corporate cards are issued by Northstar Commercial Card and are the property of Harbourline Energy Co.

2. Eligibility

A corporate card may be issued to an employee who travels for business at least four times a year, or who regularly buys low-value goods and services for their team. The request must be approved by the employee's Director and submitted to Finance through the Workday service catalogue.

3. Card types and limits

Card type	Single transaction limit	Monthly limit	Typical holder
Travel card	CAD 5,000 / USD 5,000	CAD 15,000 / USD 15,000	Employees who travel
Purchasing card	CAD 2,500 / USD 2,500	CAD 10,000 / USD 10,000	Administrators and supervisors
Storm response card	CAD 10,000 / USD 10,000	CAD 50,000 / USD 50,000	Designated field leaders, active only during a declared emergency

Temporary limit increases require Director approval and are valid for a maximum of 30 days.

4. Permitted use

The card may be used only for business expenses that comply with the Expense Policy, including travel, accommodation, registration fees, and low-value supplies that are not available through a Harbourline purchase order or catalogue.

5. Prohibited use

- Personal purchases of any kind, even if you intend to repay them.
- Cash advances and cash withdrawals.
- Gift cards, prepaid cards or cash equivalents.
- Splitting a purchase into smaller transactions to stay under a limit.

- Purchases from a vendor that holds an active Harbourline contract, which must go through a purchase order.
- Payments to individuals for services, which must go through Accounts Payable.

6. Reconciliation

The card statement cycle closes on the 25th day of each month. Cardholders must reconcile every transaction in Workday within 10 business days after the statement closes. Each transaction needs a business purpose, a cost centre, and a receipt that meets the Expense Policy receipt rules. The cardholder's manager approves the reconciliation within 5 business days.

7. Lost or stolen cards

Report a lost or stolen card immediately to Northstar Commercial Card at 1-800-555-0177, which is available 24 hours a day. Notify the Finance card administrator at cards@harbourline.example within 24 hours.

8. Non-compliance

Occurrence	Consequence
First	Written reminder from Finance, copied to the cardholder's manager
Second within 12 months	Card suspended for 60 days
Third within 12 months	Card cancelled and referral to People and Culture
Any fraudulent use	Card cancelled immediately, repayment, and disciplinary action up to termination

Unreconciled transactions older than 60 days result in automatic card suspension.

9. Leaving Harbourline or changing roles

Cardholders must reconcile all open transactions and return the card to their manager, who destroys it and confirms cancellation with Finance, before their last day or role change.
